

NOTICE to MARINERS

NO: 1/2025

LERWICK HARBOUR – HOLMSGARTH JETTY REPAIRS

Mariners are advised that marine plant will be undertaking maintenance and repairs to the fendering at the end of Holmsgarth Jetty for several days commencing 27th January, as weather permits.

Work site co-ordinates: 60°09.80'N, 1°09.29'W

Marine plant will primarily be a 42m x 13m barge and will be supported by smaller craft, all vessels will be unmanned at night.

All vessels involved will display lights and shapes in accordance with The Merchant Shipping (Distress Signals and Prevention of Collisions) Regulations 1996.

Mariners are advised to take care and pass the area at slow speed for the duration of the activities, to minimise vessel wash in consideration of personnel working on or near the water line.

Mariners are requested to maintain a listening watch on VHF Marine Channel 12 and communicate with Lerwick Port Control prior to passing the area.

20 January 2025

Captain Alexander M. Simpson
Harbourmaster
